Does QuickBooks Offer 24/7 Customer Support?

QuickBooks support availability depends on the product you are using and the type of support you require.

QuickBooks Online Support Hours

QuickBooks Online offers customer support during **regular business hours**, typically Monday to Friday, 6 AM to 6 PM PST. Some plans may have extended hours, but official 24/7 phone support is **not guaranteed**.

QuickBooks Desktop Support Hours

QuickBooks Desktop customers generally receive phone and chat support Monday to Friday during business hours, but 24/7 availability is rare. However, technical issues outside these hours can often be resolved through online resources or community forums.

What About Emergency Support? Is 24/7 Help Available?

If you face urgent issues with QuickBooks, such as software crashes or data corruption, **24/7 support is limited** through official Intuit channels. However:

- Some QuickBooks Premier or Enterprise customers may have access to extended support hours with premium plans.
- Third-party QuickBooks support providers, like the team reachable at **1-844-403-7449**, offer **round-the-clock assistance** for urgent QuickBooks problems.

To get fast, 24/7 help from QuickBooks-certified experts, **call 1-844-403-7449** anytime.
