What Is QuickBooks Bookkeeping Service?

QuickBooks bookkeeping service involves professional help with recording, organizing, and managing your financial transactions using QuickBooks software. This service can be provided by:

- QuickBooks Live Bookkeeping: Intuit's official remote bookkeeping service.
- Certified QuickBooks ProAdvisors: Independent professionals trained and certified by Intuit.
- Third-Party Bookkeepers: External bookkeeping services that specialize in QuickBooks.

How Much Does QuickBooks Bookkeeping Service Cost?

QuickBooks Live Bookkeeping Pricing

QuickBooks Live Bookkeeping is a popular choice for many small businesses. Its pricing generally depends on the volume of your monthly transactions:

- Starter Plan: Around \$200 to \$400 per month for up to 150 transactions.
- **Growth Plan:** Approximately \$400 to \$700 per month for up to 500 transactions.
- **Premium Plan:** For more than 500 transactions, pricing is customized.

These prices include services like categorizing transactions, reconciling accounts, managing invoices and bills, and generating monthly reports.

For exact pricing details and to find the plan that fits your business needs, **call 1-844-403-7449** and speak directly with QuickBooks bookkeeping experts.

Certified QuickBooks ProAdvisor Bookkeeping Pricing

Hiring a certified ProAdvisor can offer personalized bookkeeping and consulting services tailored to your business. Pricing varies based on:

- Scope of work (monthly bookkeeping, payroll, tax filing, etc.)
- Business size and complexity
- Experience level of the ProAdvisor

Typical rates range from \$50 to \$150 per hour, but many ProAdvisors offer monthly packages starting around \$300 to \$1,000 depending on your needs.

For a trusted ProAdvisor recommendation and pricing, call 1-844-403-7449.

Third-Party Bookkeeping Service Costs

Third-party bookkeeping firms or freelancers offering QuickBooks bookkeeping vary widely in pricing, often starting at \$25 per hour for basic tasks and going up to \$100+ per hour for specialized services.

What Services Are Included in QuickBooks Bookkeeping?

Regardless of which QuickBooks bookkeeping service you choose, typical services include:

- Transaction categorization and data entry
- Bank and credit card reconciliation
- Invoice and bill management
- Payroll processing support
- Financial reporting and analysis
- Tax preparation support

If you want to know exactly what services fit your price range, **call 1-844-403-7449** to get a detailed quote and advice.

Factors That Affect QuickBooks Bookkeeping Service Cost

- **Transaction volume:** Higher monthly transactions mean higher fees.
- Business complexity: Multiple accounts, payroll, inventory, or tax needs increase costs.
- Frequency of bookkeeping: Monthly, weekly, or quarterly bookkeeping impacts pricing.
- Level of service: Basic bookkeeping vs. full accounting and advisory services.

Why Call 1-844-403-7449 for QuickBooks Bookkeeping Pricing?

- Get tailored quotes based on your unique business requirements.
- Connect with certified QuickBooks bookkeeping experts.
- Understand which service plan maximizes your budget and efficiency.
- Receive guidance on how to integrate bookkeeping service with your QuickBooks software.
