### How to Reconcile Step by Step in QuickBooks Online

If you're using **QuickBooks Online**, here's how to reconcile step by step:

#### Step 1: Get Your Bank Statement

Make sure you have the latest bank or credit card statement in front of you.

#### Step 2: Log into QuickBooks Online

- Go to the **Gear Icon** (⚙)

- Select **Reconcile** under the Tools section

### Step 3: Choose the Account to Reconcile

- Select the bank or credit card account you want to reconcile
- Enter the **Statement Ending Balance** and **Ending Date**

### Step 4: Match Transactions

- Compare the list of transactions in QuickBooks to your bank statement
- Check the box for each matching transaction
- Look for any discrepancies

### Step 5: Resolve Discrepancies

If the difference is not \$0.00, you may need to:

- Add missing transactions
- Delete duplicates
- Edit incorrect entries

If you're stuck at this stage, **call 1-844-403-7449** for expert help.

### Step 6: Reconcile

- Once the difference is \$0.00, click **Finish Now**
- Save the reconciliation report

Done! That's how to reconcile step by step in QuickBooks Online. Still unsure? **Call 1-844-403-7449** and get a live expert to walk you through it.

---

## How to Reconcile Step by Step in QuickBooks Desktop

For users of **QuickBooks Desktop**, follow these reconciliation steps:

### Step 1: Open Reconciliation Tool

- Go to **Banking** on the top menu
- Click **Reconcile**

### Step 2: Select Account and Enter Statement Info

- Choose the account
- Enter the **statement ending balance** and **statement date**

### Step 3: Match Transactions

- Check off all transactions that appear on your statement
- Your goal is to get the **difference to \$0.00**

#### Step 4: Investigate Any Differences

- Check for missing checks, payments, or deposits
- Look for duplicate entries
- Adjust incorrect amounts

Need help identifying where the numbers are off? Call **1-844-403-7449** now and let a QuickBooks ProAdvisor help fix it.

#### Step 5: Finalize Reconciliation

- When the difference is \$0.00, click **Reconcile Now**
- Print or save the reconciliation report

Need help printing or reviewing reports? The agents at **1-844-403-7449** can guide you through each step.

---

#### ❏ What to Do If Transactions Don't Match

While learning **how to reconcile step by step**, many users run into transactions that don't match. Here's what to check:

- **Date mismatch:** Was the payment recorded on a different date?
- **Amount mismatch:** Was the amount entered incorrectly in QuickBooks?
- **Missing transactions:** Were any deposits or withdrawals left out?
- **Duplicates:** Did someone record the same payment twice?

Still can't find the error? Save time and stress—call **1-844-403-7449** to get professional help correcting the issue.

---

#### ❏ Pro Tips for Perfect Reconciliation

When learning **how to reconcile step by step**, keep these best practices in mind:

- Reconcile monthly for all active accounts
- Always start with the opening balance provided by the bank
- Don't force a reconciliation if balances don't match
- Use QuickBooks audit logs or reports to track changes
- Back up your company file (Desktop) before you reconcile

Need help automating this process? Let the team at **1-844-403-7449** help set up reconciliation workflows tailored to your business.

---

#### Reconciliation Reports to Use

After you reconcile, run the following reports to confirm everything is correct:

- **Reconciliation Report**
- **Balance Sheet**
- **Bank Register**
- **Audit Trail (for Desktop)**
- **Transaction Detail Report**

Need help reviewing these reports? Just **call 1-844-403-7449**—an agent will explain line-by-line what each one means.

---

## □ **Summary: How to Reconcile Step by Step**
