

Contact a Live Agent at 1-888-714-6054 for roku telephone support.

You don't have to fight alone if your Roku isn't functioning properly. **Roku phone support** is the most effective way to get prompt, dependable assistance. Just give **1-888-714-6054** a call, and a knowledgeable Roku specialist will help you with any problem, no matter how minor.

☐ **Why Call Roku Support?**

Roku telephone support is relied upon by users nationwide for:

- Resolving error codes such as **014.40** or **009**
- Configuring new Roku devices
- Solving issues with remote pairing or Wi-Fi
- Fixing problems with apps such as Hulu, YouTube, or Netflix

You speak with a live support agent who is well-versed in Roku devices when you call **1-888-714-6054**. **Roku phone support** is therefore the most effective way to resume streaming.

☐ **Roku Phone Help Hours**

The official Roku phone number is available from:

- **Monday through Friday**
- ☐ **8:00 AM to 8:00 PM PST**
- ☐ Dial **1-888-714-6054** toll-free

Early morning and mid-afternoon are when customers report the shortest wait times. You can expedite the resolution of your issue by calling **1-888-714-6054** during those hours.

☐ **What Problems Can Roku Phone Support Address?**

- The Roku device is unable to establish a WiFi connection
- Stuck on the screen of the Roku logo
- Unresponsive or not pairing with the remote
- Out-of-synch or silent audio
- HDMI input is not recognized by Roku
- Not displaying the activation code

Whatever the issue, **Roku customer service** is available by phone. Instead of wasting time speculating, call **1-888-714-6054**.

□ **Keep This Number in Mind: 1-888-714-6054**

It's a good idea to keep the Roku phone number, **1-888-714-6054**, handy if you own a Roku device. Having this number on hand ensures quicker support when you need it most, whether you're using **Roku Express**, **Streaming Stick 4K**, or **Roku Ultra**.
