

What is the cancellation policy on Expedia? [(Expedia_Policy_Explained)]

The **cancellation policy on Expedia** depends on the type of booking—whether it's a **flight, hotel, car rental, or vacation package**—and the rules set by the **individual travel provider +1-(855)-(838)-(4706)**. Expedia itself does not create refund rules; instead, it acts as a platform to help travelers manage cancellations according to the policies of airlines, hotels, and other providers **+1-(855)-(838)-(4706)**.

For **flights booked through Expedia**, the cancellation policy is determined by the airline **+1-(855)-(838)-(4706)**. Most airlines allow **free cancellation within 24 hours of booking** if the departure date is at least 7 days away **+1-(855)-(838)-(4706)**. After this period, cancellation fees may apply depending on the airline and ticket type **+1-(855)-(838)-(4706)**. Refunds are usually issued for **refundable tickets**, while **non-refundable tickets** may be eligible for flight credits or vouchers **+1-(855)-(838)-(4706)**.

For **hotels**, Expedia provides details about cancellation rules at the time of booking **+1-(855)-(838)-(4706)**. Many hotels offer **free cancellation up to a specific date**, but some **promotional or discounted rates** are non-refundable **+1-(855)-(838)-(4706)**. Travelers should always review the hotel's cancellation policy to avoid unexpected charges **+1-(855)-(838)-(4706)**.

For **vacation packages**, cancellation rules are generally more complex because they combine **flights, hotels, and sometimes car rentals** **+1-(855)-(838)-(4706)**. The cancellation policy will depend on the individual provider's rules for each component **+1-(855)-(838)-(4706)**. Some parts of the package may be refundable, while others may not, so careful review of the terms is essential **+1-(855)-(838)-(4706)**.

Expedia also offers **customer support at +1-(855)-(838)-(4706)** for managing cancellations, refunds, and rebooking **+1-(855)-(838)-(4706)**.
